

Kuhama Serengeti Camp - Makoma

Serengeti Kuhama Camp

Location

Located in the central Serengeti prime game viewing area, on the lower slopes of Makoma Hill, only 29kms southwest of Seronera airstrip, Serengeti Kuhama Camp offers guests the opportunity to explore many parts of the Serengeti – to the north, west, east, and in the Moru kopjes.

Accommodation

The Serengeti Kuhama Camp has a total of 10 guest tents all with views of the Serengeti savannah. Accommodation is provided in spacious walk-in tents which can accommodate three beds (triple), and are furnished with beds made of fine tropical wood, bedside tables, mattresses, blankets, bed sheets and pillows, and all have a wooden floor. Each guest tent has a verandah with two safari chairs and a safari table allowing you to relax with a book, or just enjoy the different scents, sights and sounds around you.

Room Facilities

The en-suite wash room facilities are set on the far end of the guest tent, offering a hand washbasin, a safari bucket shower and flush toilet. This is an eco-friendly camp fully powered by solar energy.

Dining

The mess tent is spacious and well ventilated, with dining tables, chairs, cutlery, crockery, table cloth and other facilities offered in a standard restaurant. On one side of the mess tent there is a small cozy lounge where guest can charge their electronic devices. The camp serves three freshly cooked meals a day - breakfast, lunch and dinner of which lunch and dinner are a 3-course meal.
